

CREATIVE SOULS DANCE LLC

COVID 19 PROTOCOLS

The following procedures have been implemented to ensure the safety and health of all our Creative Souls Dance family. We take your child's health and safety very seriously and want to ensure everyone feels safe while at the studio during these trying times. We will amend this document as needed to meet the growing needs required by this illness.

1. NO Parents allowed in Studio. DROP OFF ONLY.
2. Children will be greeted at the door and are required to already have a mask in place, covering both mouth and nose, at which point their temperature will be taken with a touchless temperature device. While waiting to enter, if a line forms, proper social distancing will be adhered to.
3. Once a child has been cleared to enter the studio, they must maintain their mask covering on both their mouth and nose and go straight to their designated studio.
4. Each class is limited to 10 children, spaced appropriately apart from each other. Spots will be marked on the floor in tape.
5. Bathroom use is limited to 1 at a time, no congregating near the bathroom will be allowed.
6. Doors will be open to allow more circulation in the studio. If a parent or potential new family member comes to inquire at the studio, a Staff Member will speak with the person(s) outside on the sidewalk.
7. The children will have water breaks as needed while maintaining appropriate distancing.
8. During break times, a Staff Member will wipe down all areas within the studio with sanitizer.
9. Throughout the afternoon/evening, a Staff Member will continuously sanitize the lobby and bathrooms.
10. Children should have additional masks with them for use if needed.
11. The students will not be permitted physical contact with one another.
