

KIDS DRESS CODE 2025-2026

Dress code for Creative Souls Dance LLC has been established for the teachers' and students' benefit. Our dress code ensures that students receive the best possible instruction, minimize injury, increase focus, and develop a strong sense of self- confidence and studio unity. Proper dress code allows teachers to identify students' bodies in order to address alignment, posture, and presence. Please label all items with your students' name. The studio is not responsible for lost items. No jewelry is permitted during class. **Students will not be permitted to participate in class if dress code policy is not strictly followed.**

- **SHOES.** Appropriate dance shoes must be worn for all classes. For hygiene reasons, please do not wear dance shoes outside of the studio. A proper fit is extremely important for correct use of the feet. All dance shoes should be snug for better connection to the floor. Dance shoes tend to stretch and often become too big. No flip flops, crocks or boots allowed.
- **HAIR.** Hair should be neat and away from the eyes for all classes. If hair is shoulder length or longer it must be pulled back into a ponytail.
- **CLOTHING.** Appropriate dance attire must be worn for all classes to avoid injuries and avoid distraction. The dress code ensures that your child's teacher will be able to see all the students' alignment and positioning. No jeans or school uniforms allowed. Leotards must be worn under skirts.
